

30 January 2014

Dear Parent/Carer,

I am pleased to present to you our most recent Ofsted Inspection Report. As you would expect, we are rightly proud of our 'outstanding judgement' and particularly the part our governors, staff, young people and parents/carers have played in this stunning achievement. To be recognised as an 'outstanding school' in all categories is a fantastic team effort and is the fruition of sustained high expectations, a relentless drive for top class standards, unwavering levels of commitment and the successful development of talent and expertise by all involved in the school over many years. I want to particularly thank our amazingly talented staff who have, and continue to work tirelessly for your sons and daughters on a daily basis each year. I would also like to thank our superb students, and you, their parents and carers, for your commitment and support for our drive for ever improving levels excellence for all at Cardinal Hume Catholic School.

Although this judgement is an incredibly important milestone for our school community we are not complacent about our future, indeed we are now even more determined to build on and improve further our achievements in the coming years. Our vision for Cardinal Hume Catholic School is to be a world class institution that strives to be at the forefront of high class educational development and delivery, while ensuring that our students' safety, happiness and achievement is always, and always will be, at the core of everything we do.

Yours faithfully
