

Dear Guardians and Students,

The opportunity for adventure is here!

Please join us on **Monday 16th November** to learn more about our upcoming World Challenge expedition to **Southern India** in **2017**.

Much more than a school trip...

As a school we are very excited about the opportunity this will give students to do something really unique that will make them stand out from the crowd. Participating students work together and take the lead to raise funds, plan their itinerary, set goals, and take on leadership roles – both before and during the expedition. By taking charge, students walk away with key life and leadership skills which prepare them for life after school.

Join us to learn more!

I would like to invite you to join us in school for an informative Parents' Presentation, delivered by World Challenge, where you will have the opportunity to hear all about the amazing challenges that your son/daughter will have the chance to experience. Learn more about fundraising opportunities for participating students, the expedition and destination, safety and the support that World Challenge offer.

The Parents' Presentation is booked for:

Monday 16th November 2015 at 6pm
Location: Cardinal Hume Catholic School (main hall)

I hope you are able to join us and look forward to seeing you there!

Yours faithfully,

Mr P Burrows
