Dear Prospective Applicant

I am delighted to announce the External Entry Programme for Sixth Form at Cardinal Hume for 2023 entry.

As an inclusive Sixth Form, we have always welcomed applications from students who do not currently attend our school who believe in our values of faith, hard work and kindness.

Students who wish to apply for External Entry should complete the Expression of Interest Form and return as indicated. An electronic version is available on the school website at [cardinalhume.com](http://cardinalhume.com)

Applicants will be

- invited to participate in subject based workshops and receive study materials to support their progression to advanced study
- invited to information sessions, together with parents and carers, to ensure course choices align with future university and career intentions
- given access to remote learning support to help prepare for GCSEs.

We will of course keep in close touch with applicants, and continue to give advice about practical matters such as uniform, bursaries and travel.

Thank you for your interest. We hope to receive your Expression of Interest soon.
