

Dear Parent/Guardian

Later this term, your son/daughter will be receiving a booklet containing information regarding the courses available as Options in Year 10. Senior staff in the school will be talking to them about the Options process, and pupils themselves are encouraged to discuss possible choices with subject teachers.

We appreciate that you will want to be part of this process. Therefore, we would like to invite you to a short information evening on Thursday 22nd February at 6pm. The presentation will seek to explain the Core Curriculum, the procedure of picking Options, and advice on the process. We would expect the talk to last until approximately 6-45pm, but we will be available to answer questions until 7.15pm, should you wish to remain.

If this date or time is not possible for you, but you would like to discuss your son/daughter's Options once they receive their booklet, please contact me at the school.

The evening of 22nd February is intended for parents/guardians only, as pupils will be getting the same information in school for themselves. Also we would not be able to accommodate numbers, if pupils attended.

Yours faithfully

Mr M Errington
Senior Assistant Headteacher
