

BULLETIN FOR PARENTS AND PUPILS

27th June 2024

CELEBRATE COMMUNITY

We pray for our school community: that we may be moved by God's love to reach out to others, especially to those who are struggle, so that no one may feel abandoned, forgotten or alone. Lord, in your mercy...

All: Hear our prayer

CHCS Transition 2024

Well done to families who attended yesterday's Family Wellbeing course. This practical session focussed on developing positive techniques to managing anxiety, and parents and children created a range of resources, including worry Dolls and Fidget Balloons, to aid this. This was the last of our Family Learning session, which have been well attended and we hope, very helpful to families.

Curriculum Days

Our Transition programme continues on **Monday 1st and Tuesday 2nd July**. A reminder that students should arrive at CHCS by 8.40am in their primary school uniform, wearing trainers. A free school lunch will be provided for all students, but we advise that they bring a bottle of water.

The school day ends at 3.15pm

Welcome Evening 6pm –7pm

This meeting is an opportunity for parents to meet the Head teacher and pastoral team, and to learn more about the opportunities for children in and out of the classroom, and the ethos and standards of the school. Please do not bring children to this event, as we don't have room to accommodate them. It would be helpful if parents could wear their child's name badge.

Summer School

All applicants have secured a place at Summer School—further details will be sent to you by email before the end of term. We have extended the deadline to next Friday July 5th and hope that as many children as possible can join us.

Summer School application form: <https://forms.office.com/e/1XRsnDQSDK>

From this week, Year 10 will have increased lunchtime access to the library for completing homework, revision and reading. Mon-Thurs, students should line up in the atrium at 1.30pm; Fridays are reserved for Book Club – any students wishing to join the KS4 book club would be very welcome.

Books about a favourite hobby or sport are a great way to get into reading. With the European Championships underway, books about football might be appealing. Here are few recommendations for reading about the beautiful game.

Students might be interested in the journey of England's manager, Gareth Southgate, from football loving schoolboy to the biggest job in English football. Discover how he put his Euro '96 penalty disappointment behind him and went on to inspire the Three Lions. (AR 6.8)

World class football also stars in Mal Peet's *Keeper*. When an exclusive interview with El Gato — the phenomenal goalkeeper who single-handedly brought his team the World Cup — begins, the reporter quickly learns that this will be no ordinary story. Instead, a spellbinding tale unfolds from a mythic corner of the South American rain forest, where a ghostly but very real mentor, the Keeper, emerges to teach the gangly boy the most thrilling secrets of the game. (AR 5.1)

If girls' football is more appealing then Eve Ainsworth's *Finding Her Feet* might appeal. This alternates the fictional story of Lily, a girl feeling isolated in her new school, with the history of women's football from its earliest roots to the modern day. (AR 4.7)

Definition:

Existing in something as a permanent, essential, or characteristic attribute.

Synonyms:

Intrinsic, innate, ingrained

Example:

Any form of mountaineering has its inherent dangers

Antonyms:

Acquired, alien

Inherent

882 Scholars' service

This service has suffered a number of regrettable delays due to vehicle breakdowns recently. Go Northeast has apologised for the inconvenience and assured us that they will do all they can to provide us with more reliable vehicles and improved communication when there are problems with the service.

SIXTH FORM INDUCTION DAYS

Monday 1st and

Tuesday 2nd July

Year 11 students wishing to apply for Cardinal Hume Sixth Form must attend these Induction Days to find out more about the Sixth Form. There will be a range of different activities including a chance to sample lessons, take part in activities and complete independent study work in the subjects students have already expressed an interest in. These days are also open to students who are unsure about whether to return to the Sixth Form and want to find out what it can offer them.

Did you know that Uber Eats offer 50% off fruit and vegetables on Mondays?

Check out the app to see if is valid for you next week.

Cardinal Hume's Memory Mile 2024

As you will know we are doing our whole school Memory Mile Race for life in aid of cancer research again this year. We remember **all** those in our families and our community who have been affected by Cancer and we remember especially Mrs Eleanor Murphy, a teacher in our school who we lost 9 year ago and our amazing Science Technician, Mel . We keep both of them and their families in our prayers as we strive to raise as much money as possible for future medical research into beating this disease. Please see below the link to our school just giving page. We are very keen to smash our £1000 target this year as a school so anything you can donate is gratefully received.
