We are very excited to welcome Y6/7 to Summer School on **Monday 19th August**. You can see the first day's timetable above and get an idea of just some of the lessons you will be doing during the week. We are delighted that the RISE Team from The Children's Society will be working with us, delivering four sessions to each class focussing on Wellbeing and Resilience. CHCS teachers will also be delivering a range of subjects, and students will be doing some crafty Activities each day.

A few important reminders:

- Arrive between 8.45 am and 9.00am
- Come to the Student Entrance, just as you did for Transition Days – there will be staff and Student Ambassadors to meet you.
- Parents are requested to wait at the school gates for safeguarding reasons.
- Wear comfortable, loose clothing and trainers – you will be outside playing games.
- Bring a bottle of water, a snack for break if desired, and a pencil case with pens, pencils, ruler and rubber.
- If school lunch has not been ordered, students should bring their own packed lunch.
- You will be asked to hand in any mobile phones during morning assembly, and they will be returned at the end of afternoon assembly.
- Students must not chew or bring gum into school.

IMPORTANT NOTICE: ATTENDANCE

We have been delighted with the response to Summer School this year but appreciate that holiday plans can change. If you are no longer able to attend Summer School, please let us know as soon as possible.

Registers will be taken each day, so please be punctual, and do call school if you are absent on any day.
