

Dear Parent/Guardian

Each year we ask parents to complete an online survey which will inform us of how children intend to travel to school. This helps us to support families and liaise with Nexus who supply our public scholars' bus service so that the children can receive the best service possible. Please complete the survey as soon as possible. Parents are free to indicate multiple siblings on one form, or may complete a different form per child.

Many thanks for you support.

Mrs Flint
