Finding strength in 2026

Year group assemblies this week have focused on our current theme, which is Courage. It is one of our important school attributes, and being courageous can be demonstrated in many ways. Many of us will have made challenging resolutions for 2026. Take some time to reflect on the following short piece of scripture: "God gave us a spirit not of fear but of power and love and self-control" (Timothy 1:7). It requires bravery for a us to push ourselves out of our comfort zone, take on an unfamiliar challenge, try something new – or to make a conscious decision to cease being influenced by things that are not good for us. These things take strength, resilience and a personal search for excellence.

Year 11 Parents' Evening

We look forward to seeing parents and carers of our Year 11 students on Tuesday 20th January. This event will be held in person and will be a good opportunity to meet with teachers, pastoral staff and school leaders at this key stage.

Many thanks for your support,
Mr Robson
