

Message from the Headteacher

It has been a delight to welcome students back this term and see them make such a positive start. Year 10 and many of our Sixth Form students have had a busy start with examinations and Year 11 will soon receive their mock results. This term is very important in determining future success for all students, so I must reiterate some key messages which will help the young people to thrive:

- Excellent attendance: every lesson counts. There is a clear link between those who do not do as well as they should and attendance which drops below 97%.
- Give 100% and search for excellence in every opportunity. Impeccable ambassadors. Standards of discipline, personal conduct, student organisation and positive interactions are central to our Catholic ethos.

As we look ahead to the opportunities of the year ahead, I wish you all the best for 2026.

Best wishes,
Mr Robson
